Who is Roxy?

I'm a K-9, Curious and Demanding

Aliases: HRHRF , Grandma, Digger

I am a 4 year old Doberman Pincher mix bitch. I was rescued from Glendale Humane Society after being turned in by my owner at 5 months of age. I was adopted through Irish Wolfhound Rescue, who sent a nice lady to 'look' at me. Hahahahaha! No one goes to the pound and just 'looks' at a cutey like me who's been there a month and needs a home NOW.

I went home with her and even though I ruined 4 pair of shoes, she didn 't take me back, but she started to understand why I got turned in. Some owners do not realize that when they get a puppy, that it requires patience and training, just as in raising a child until the canine is 2 years old or so. Our energy level, inquisitiveness and destructiveness are not to be underestimated.

people shy until I realized I was the Queen of Everything. I am fiercely loyal and take my guard duties very seriously. I have to grant admittance to each visitor and then my greeting disorder is not so pronounced. I am Debi's punkin', Doppies, Monkey, Monks and I'm her favorite. I am red-brown, black, and grey with a widow's peak mask and white feet.

If you have a favorite service provider -- send me an e-mail and I'll include it on my list. Dog lovers everywhere will thank you.
